Through the month of May, our volunteer canvassers will be out visiting homes and asking you to renew your membership. Our canvassers can accept cash or cheque .

Scholarship Winner!

Congratulations to Alyssa Anderson who was awarded the Glenayre Community Association Scholarship for 2018! Alyssa will receive \$700 to support her post-secondary education. We wish her and all our graduates the very best in their future endeavours.

Glenayre School Carnival

The Glenayre Elementary annual school carnival will take place on Thursday 31 May. The streets may be a bit busier that afternoon, and please watch out for excited kids who may not be paying as much attention to road safety that day. Come along and join in the fun.

Volunteers Needed

We can't put on events for the community without your help! If you're available, we've got some events coming up that we could use some volunteers to help out with:

- Newsletters - we need a few people to help with newsletters. Contact gca.contact@gmail.com for details.
- All candidates debate - with municipal elections this fall, we'd like to host an all-candidates debate here in the community. Contact zjacobson@myglenayre.ca if you're interested in helping out! We need a moderator, question screeners, and someone to help with the audio.

RS1 Zoning in Glenayre

The City is trying to modernize their RS1 Zoning across the city in a way that will satisfy most people, hoping to avoid neighbourhood-specific zoning regulations.

Hopefully people made it out to their open house about which they sent post cards to each home in our neighbourhood - the City constantly tells us that they really need citizen input in order to make good decisions. We hope to report next newsletter.

Please Slow Down

Please help keep the neighbourhood safe by observing the speed limit of 30 km/h, which is in effect **all the time** and on **all the streets!** We ask that you remind guests and any tradespeople of the speed limit.

Drivers should keep a sharp eye out for pedestrians. Those outside of their cars should remember that they can be difficult to see in the dark, please wear something reflective when out and take the time to make eye contact with drivers before venturing out in front of cars.

Please give yourself extra time to get to your destination safely!
